

Vancouver Neighborhood & Fellowship Center

Char Anderson

The Neighborhood is a church-type mission. We have been holding services for about one year now in SW Vancouver. Most of the people who attend the services are from Open House Ministries, a homeless shelter, and walk-ins off of the street. Our worship gatherings are on Sunday evening and we meet in the meeting room that Open House has graciously allowed us to use at no charge.

We are small in number but our gatherings are informal and lively, with music and sermons that, as often as not, become discussions; the Holy Spirit teaching through us all.

God has used this past year as a time of learning for me. Though I still only know the tip of the iceberg, so to speak, about what it means to be a pastor, God has begun a good work and I am certain that He will continue to teach and open doors according to His timing.
